

Director's Update

Hello from the campus of Southeastern University! It is hard to believe that it is 2010, but here we are. We are officially about two weeks into our Spring semester here on campus, and do we ever have a busy one planned! I wanted to take just a few moments to let all of you know what we have going on over the next few months, so here we go...

Spring 2010 Bible Classes

Many of you are aware that aside from our regular Sunday and Wed. night Bible classes we have the privilege of offering two credit courses each semester here at the SBC. For the Spring 2010 semester on Mon. & Wed. mornings we will be studying the Story of the Old Testament. For our Wed. evening credit course, which is conducted at the church building, we will be studying 1, 2 Timothy & Titus. Our Sunday morning Bible class will be a study of denominational doctrines.

Campus Encounter

This event will be Feb. 26-28. It is held on the campus of Oklahoma State University. The retreat involves over 250 students from more than 20 campus ministries. The theme this year is "Run to the Darkness". We will be focusing on taking the light of Christ into the "darkness" of the world.

Nicaragua Mission

During the week of Spring Break, Mar. 15-19, we will be taking a "handful" of students to Nicaragua for the week. While there we will be locating children that were dispersed from a previously operating orphanage in the country and delivering clothes as well as various other items to these children. Our team looks to be around 12 individuals including possibly 7 college students at this time.

Spring Leadership Retreat

We will spend April 9-11 at Pettijohn Springs Camp for our Spring Retreat. Our theme for this event is "The Talent Show". We will be discussing various ways that we may serve God and His Kingdom in our lives. This event is attended by other university groups from the region as well.

As you can see we have quite a busy semester ahead of us. We appreciate your continued support very much, and ask for your prayers as we continue to minister to the young people on the campus of Southeastern University!
